## Experience

PartyLite Gifts, Inc. Nov 2000 – Present  
Plymouth, MA

- Internet Lead Associate *(Oct 2004 – Present)*

Department: U.S. President's Office – Strategic Business Development

This is a very dynamic position that has maintained a problem-solving/business development focus.

Major Projects Completed:

- Online Consultant Guide Authored and administered the rollout of a project to move our Consultant Guide from a paper medium to a completely online medium. The online Guide included all necessary legal documents and an interactive training center. This project required a simultaneous development and rollout in Spanish.
- PHP Image Database Created a PHP program to allow users to upload images to an online MySQL database for instant posting to a public website, upon approval by administrators.
- Interactive Flash Product Display Created an ActionScript 2.0 program in Flash MX 2004 that allowed users to view a demonstration of our product in a user-friendly environment.

- Data Entry Associate *(Nov 2000 – Oct 2004)*

Department: Business Operations

Became familiar with terminal services and command line operations on an IBM AS/400 midrange system.

Honors:

- Employee of the Year Award, 2005  
Awarded for the creation of a proprietary relational database system and other projects.

---

GaryTardiff.com

May 2007

Boston, MA

- Freelance Web designer

Complete redesign of website including creation of an interactive Flash program, increased visibility on search engines, and fulfilled compliance of W3C standards.

---
